

## SAINT MARIA GORETTI SCHOOL LUNCH PROGRAM – 2017/2018

Food 4 Life will be providing hot lunches to the students, faculty and staff at SMGS. We offer a wide variety of fresh, homemade meals each month. Our meals include healthy options, fresh vegetables, chicken breast in all of our chicken dishes and homemade salad dressings. All of our food is baked, not fried. Our food has limited preservatives. Our chefs are always working to create new delicious, fresh and healthy items to introduce to the menu!

Each month the lunch menu will be posted on the SMGS website as well as the Food 4 Life website ([www.food4lifecaterer.com](http://www.food4lifecaterer.com)) for review. Each day students will have several choices including a hot plate lunch, sub meal, daily salad meal & baked potato meal. We will offer snacks and drinks also.

Students will be able to pay for their meals with cash or through a lunch account. Food 4 Life uses DRX Software for managing all lunch accounts. New students must open an account with a check or cash, child's name, parent name and email address. Once account has been set up, parents will receive an email with registration key and instructions for managing child's account. With this system parents are able to put restrictions on the account, view what their child is eating and set up an automated credit/debit card deduction once balance gets to a certain point. Parents receive automated emails when account balance is \$15.00 or less reminding you to put money on account.

We encourage all parents to use the online system at [www.schools.drsoftware.com](http://www.schools.drsoftware.com) to manage their child's lunch account. The seven digit ID code is f4lsmgs. Please make sure parent information is correct and current credit card is set up.

Please note, if there is a negative balance of \$10.00 or more your child will not be allowed to purchase r snacks and will only be allowed a plate lunch until the account is paid. If the account is negative \$20.00 they can purchase a meat & cheese sandwich and water until their account is paid. We will continue to send out weekly email notices on all accounts. If you have changed your email address, please make sure we have your new one to ensure you are receiving all notifications.

It is an honor to serve the students at Saint Maria Goretti School. We encourage everyone to try our great food. We would love parents to come eat with their children and enjoy our food also!
