

# Royelles Dance Team

Nolan Catholic High School

## YEAR IN THE LIFE OF A ROYELLE

**Summer:** Team Camp to learn choreography for the year and to bond as a team. The team will also complete a service project together. Right before school starts, the team begins practicing.

**Fall:** Football season! The Royelles dance in the stands in addition to performing routines during pre-game and halftime. The team attends all home and away games.

**Spring:** The team performs at home basketball games and also prepares for competition. In 2018, the team competed in pom, kick, and jazz.

**Year Round:** The team performs at every pep rally, and they practice regularly after school.

## WHO ARE WE?

Since 1981, the award winning Nolan Catholic Royelles have been dedicated to excellence in dance and leadership. In addition to cheering on our football and basketball teams, the team competes in the spring in pom, kick, and jazz.

The Royelles are a close-knit group, and we support and pray for each other, both in and out of the dance studio. Everyone deserves to find a place to call home in high school, and we hope you can find that home with us.

The Royelles perform a field routine during football season. The team performs to both live music and recordings.

## JOIN THE TEAM

Auditions are in April – everyone must audition, including returning members. Auditions are typically after school for three days. We will make allowances for dancers traveling from feeder schools.

For the audition, be prepared to learn several bars of choreography. You must also be able to do your left and right splits. Our judging panel includes our directors, some Nolan teachers, and other dance experts.

For more information, please email our director, Ms. Alejandra Gonzalez, or our assistant director, Ms. Rebekah Yarmchuk at [agonzalez@nchstx.org](mailto:agonzalez@nchstx.org) and [ryarmchuk@nchstx.org](mailto:ryarmchuk@nchstx.org). We hope to see you at auditions!

## STUDIO DANCE

Although the Royelles is a significant time commitment, many girls on the team take dance classes at Nolan and still dance in their own studios. We always want to help you grow as a dancer and as a person. Among other things, being a Royelle teaches you time management and organization.

You can also follow us on Instagram @nchs\_royelles for a peek into the life of the team.
